Dear Parents, Guardians and Carers,

My name is Joanne Black and I am the Principal of Oberon South Primary School, your community minded school. We're incredibly proud of our students, staff and the programs we deliver. I know that deciding on a Primary School can feel like a huge decision and I also know that parents hear lots of different things about schools from friends and family. If you have any questions or would like to book a school tour with myself, don't hesitate to email or call; [oberon.south.ps@edumail.vic.gov.au](mailto:oberon.south.ps@edumail.vic.gov.au) ph. 5243 2997

We are now accepting enrolments from families for 2020. I do hope you consider us as your school of choice for your child. I look forward to meeting with you soon.
