

As a Principal arriving at Oberon South for a few days I was delighted to find a culture for students which offered an amazing opportunity to all students to be embraced and included in the school team.

Regularly you see the empathy understanding and key values of the school demonstrated by all students and teachers. The inclusive nature of the school is very evident and the kindness to each member of the community

is understood to be a right not an aim.

Students regularly assist, support and willingly work with and for each other, these characteristics demonstrate a great advantage that is available to such a small and engaging school. Relationships are key to personal development and these are at the forefront at Oberon South P.S.

This is a school where we should all be engaged in a learning community of great value.

Regards
Peter K Kearney
Liaison Principal.

Curriculum Day

Tomorrow is a student free day!! No students are required at school. We look forward to seeing you fresh faced and relaxed on Monday!

Dollar lunches

There will be no lunches in the last three weeks of term due to camp and swimming.

Camp

Seniors will be on camp Monday—Wednesday next week. Any students who are not going to camp will be required at school.

Swimming

Our swimming program starts Monday 9th of September. Please contact the office if you have any issues with payment and require a plan. Remember to pack your bathers and towels for the next 2 weeks!

PRIMARY SCHOOL

SOUP

On Friday a couple of students from the senior end went and made some pumpkin soup with Leanne, one of our aides. At lunch they shared it with the rest of the class. It was amazing. Abbey-Rose.

FATHERS DAY

Thursday we made cups for our fathers for Fathers Day. We bought \$2 to school and decorated some white cups. They were amazing. Abbey-Rose.

KINDER VISIT

Some kinder kids came to our school and went to the junior end and coloured some butterflies. It was quite noisy and fun. Abbey-Rose, Willow, Darcy and Oliver.

BOOK WEEK

On Friday we dressed up as our favourite book character. Willow dressed up as Alice from Alice in Wonderland. Abbey-Rose, Willow, Darcy and Oliver.

BOTTLE CAPS

We have been collecting bottle caps because some people have no limbs and it's helping them. After we are done collecting bottle caps we will send them to Melbourne so that a man can melt them and put them in a 3D printer to make prosthetic arms and legs. Abbey-Rose, Willow, Darcy and Oliver.

Our bottle top collection is growing and we have nearly filled a box. Here is a picture of the types of bottle tops we want you to collect. Please let your friends and family know to collect them as we would like to collect as many as we can to help as many children get prosthetic hands as possible.
