## ***Purpose***

---

To explain to our school community the Department's and Oberon South Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

## ***Scope***

---

This policy applies to:

1. All students at Oberon South Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

## ***Definitions***

---

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

## ***Policy***

---

Oberon South Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Oberon South Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored at the office during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

### **Personal mobile phone use**

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Oberon South Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

### **Secure storage**

Mobile phones and other personal mobile devices owned by students at Oberon South Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone or device to school unless there is a compelling reason to do so. Please note that Oberon South Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to Oberon South Primary School's Personal Property Policy AND the Department's [Personal Goods policy](#).

Where students bring a mobile phone to school, Oberon South Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Oberon South Primary School students are required to store their phones at the school administration office to be placed in lockable storage.

### **Enforcement**

Students who use their personal mobile phones or devices inappropriately at Oberon South Primary School may be issued with consequences consistent with our school's existing *Student Wellbeing and Engagement* and *Bullying Prevention* policies. If mobile devices are used inappropriately staff will instruct the student to hand over the item(s) and if the student refuses to hand over the items, Oberon South Primary School will implement the relevant disciplinary provision existing in the Student Wellbeing and Engagement and Bullying Prevention policies.
