1. School profile

Oberon South Primary School was established in 1971 and is located in Belmont, Geelong.

Oberon South Primary School is a friendly community minded school where learning is tailored to the social, emotional, developmental, and academic needs of each student.

The school employs an Inclusion and Wellbeing Team to work with children and families and class sizes are kept as small as possible to allow students to receive the attention they need.

Our school is culturally diverse including families having a language background other than English (LOTE) and representation from the Koorie community. We are proud of our diversity and inclusive school community.

2. School values, philosophy and vision

Oberon South Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of caring, respectful, community minded and future focused at every opportunity.

Our school's vision is to tailor learning to the social, emotional, developmental, and academic needs of each student. We are committed to developing in each child an ability to maximise their potential, function independently and co-operatively, and develop a genuine respect for themselves and others. We are developing these attributes through a growth mindset approach with individual learning goals and school wide positive behaviour support. We aim to nurture a love of learning and encourage student leadership, voice and agency. Our students are provided opportunities to grow as sustainable citizens.

Our values for learning are that all students, staff and community members act Respectfully, Responsibly, and Safely. Our school values and expectations are upheld by all through the implementation of our School Wide Positive Behaviour Supports (SWPBS).

We encourage and model the values of mutual respect where safe, positive relationships between all members of the school community form the basis of our school culture.

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values and our School Wide Positive Behaviour Supports. Student bullying behaviour will be responded to consistently with Oberon South Primary School Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Oberon South Primary School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
