Inclusion and diversity

Wangala Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Wangala Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Wangala Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Wangala Primary School we value the human rights of every student

and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Wangala Primary School will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, camps, excursions and Hands On Learning activities) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Wangala Primary School staff undertake the 'Cultural Understanding and Sensitivity Training' and regularly update this knowledge. As a school proudly featuring a local Wadawurrung word in its title, the school is deeply committed to ensuring all students are aware of the first nations history and the diverse impact they have had on our land. This is reflected through the curriculum we deliver, and throughout our school including our logo, featuring a yarning circle, and the Wangala artwork telling the story of the school both past and present,, a collaboration with a local indigenous artist.

Wangala has a strong Wellbeing Curriculum with a positive behaviour matrix that outlines the expectations of behaviour for all members of the school community. The curriculum is also centered around the 'Rights, Resilience and Respectful Relationships' curriculum.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Wangala Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

Reasonable adjustments for students with disabilities

Wangala Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please contact our School Principal for further information.
