

Education Week

Important times and events for families

Education week commences at Oberon South Primary School on Monday 20th May. We have a new focus in our classrooms - **READ MORE IN MAY**. We will be promoting this new reading challenge with students throughout May.

- ◆ The Scholastic Book Fair is held in the foyer area and runs for the week. There will be opportunities for students and parents to browse through and purchase books. Students will receive a catalogue and complete a wish list of books they would like to purchase. This is a great opportunity to purchase some exciting and engaging books and also supports our school to fundraise for the further purchase of literature for our Library. We need your help to make our Book Fair a success and to encourage your child/children to read.
- ◆ Monday 20th May the children will continue with The Song Room Dance Program. We would like to invite families to come along in the afternoon to join the program. We invite parents of the Senior students to join us at 2.00-2.45pm in the Library to dance along with your child. This is followed by an invitation for the Junior parents to join their child at 2.45-3.15pm. The program co-ordinators are excited to be working with families together.
- ◆ Tuesday 21st May is Open Day for interested families to tour the school. We invite anyone who is interested in enrolling students for 2020 to come along and have a tour of our school. If you have friends or neighbours that may have a child enrolling in Prep in 2020 please invite them along.
- ◆ Tuesday night 21st May at 4pm we invite any interested parents to join us for School Council.
- ◆ Wednesday 22nd May all students will join in National Simultaneous Story time at the Belmont Library. This year 'Alpacas with Maracas' will be read simultaneously in libraries, schools, bookshops and many other places around the country. This event promotes the value of reading and literacy amongst young people.
- ◆ Thursday 23rd May we will share the Biggest Morning Tea. Further information will come home next week regarding this event.
- ◆ Friday 24th May our senior students will participate in the Winter Lightning Premiership.

Information regarding some of these excursions will be sent home shortly.
